

My name is Denise DeMartini and I would like to become one of your newest Copper Cove Association Directors. Some background information about me: I was born and raised in San Francisco and moved to the Antioch area after marrying my husband Marty. We owned homes in the Antioch, Oakley and Brentwood areas (37 years) before retiring to Copperopolis in April of 2017. I was employed for over 20 years by the Antioch Unified School District in Educational Services (State and Local Testing and Teacher Induction Programs). Board of Director experience: I served on the Antioch Delta Skimmers Swim Team Board for approximately 15 years (1 year as president) and on the Belshaw Elementary School PTA Board for 3 years (2 years as treasurer).

Since moving here to Copperopolis, we have strived to become an integral part of our new community. We started attending the CCA board meetings almost immediately. During the past 2 ½ years I have watched the board become an efficient and transparent one. I watched as many items that needed attention were not only addressed but completed. And now I want to assist in continuing this important work.

I believe that I have a lot to offer if elected. Some of my strengths are: I am a very organized person and I have the ability to look at a task and determine different and more efficient ways of accomplishing that task. I pay attention to details and have the tenacity to see every job to completion. I am a team player who works well with other people with or without like beliefs. I also value my ability to keep confidential matters just that...confidential. I am proficient in technology and have the ability to create documents and/or presentation materials. I am a person who strives to look at the positive instead of the negative. I believe I am a trustworthy and honorable person. Lastly, I have high standards for myself both personally and in any business endeavors that I may participate.

Please consider me when you cast your vote for one of the three Copper Cove Association Director positions. I promise you will not be disappointed.

Sincerely

Denise DeMartini
