

Hello. My name is Nancy Grimes Henderson and I have been a resident of Copperopolis for 6 plus years and love living in a small rural community.

I am retired after a long career as an Administrative Supervisor for Discovery Toys. I interacted with Independent Consultants in order to solve various problems from product incidents to compensation issues.

I also worked in the construction industry as an Office Manager/Administrative Assistant for Simplex Time Recorder Co. My duties included interacting with the sales force for two different sides of the business, working with Electrical Contractors and Engineers as well as Architects in the San Francisco Bay Area during the late 70s and early 80s.

During the late 80s early 90s I was Secretary and Editor of a newsletter for the Bridge Marina Yacht Club located in Antioch, CA.

I care about our Copper Cove community and I'm asking for your vote.

Respectfully,
